

Virtual Passover Seder SONG SHEET

1. There's No Seder Like Our Seder

("THERE'S NO BUSINESS LIKE SHOW BUSINESS"
- ANNIE GET YOUR GUN)

There's no seder like our seder,
Like no seder we know.
Everything about it is Halachic
Nothing that the Torah won't allow.
Listen how we read the whole Haggadah
It's all in Hebrew
'Cause we know how.
There's no Seder like our seder,
We tell a tale that is swell:
Moses took the people out into the heat
They baked the matzoh
While on their feet.
Now isn't that a story
That just can't be beat?
Let's go on with the show!

2. My Favorite Things

(SOUND OF MUSIC)

Cleaning and cooking and so many dishes.
Out with the chumetz, no pasta, no knishes,
Fish that gefillted, horseradish that stings—
These are a few of our Passover things.

Matzah and karpas and chopped up charoset,
Shankbones and kiddish and Yiddish neuroses,
Tante who kvetches and uncle who sings—
These are a few of our Passover things.

Motzi and maror and trouble with Pharaohs,
Famines and locusts and slaves with
wheelbarrows,
Matzah balls floating and eggshell that clings—
These are a few of our Passover things.

When the plagues strike,
When the lice bite,
When we're feeling sad,
We simply remember our Passover things—
And then we don't feel so bad!

3. The Order of the Seder

("WHEN YOU WISH UPON THE STAR"
- IT'S A SMALL WORLD)

*Kadeish, urchatz, karpas, yachatz,
maggid, rachtza, motzi, matza
Maror, korech, shulchan orech
Tzafun, barech, hallel, nirtza.*

4. Manishevit Wine

("MUSIC OF THE NIGHT" - PHANTOM OF THE OPERA)

Bordeaux, Merlot, they are so delicious
But they do not go with Pesach dishes.
Now it's time to savor
A sweet, nostalgic flavor
So when we drink, there's just one bottom line—
Tonight we drink the Manischewitz wine!

Bless it, sip it when you're at your seder.
Save the high priced wine for some time later.
There is no escape
From a cup of Concord grape.
Pour a big one for Elijah and recline—
Tonight he'll drink the Manischewitz wine!

5. I Want to Wash My Hands

("I WANT TO HOLD YOUR HAND" - BEATLES)

Oh yeah, I'll tell you something
It's one of God's commands.
When you start the Seder
You need to wash your hands. (x3)

Oh my what a feeling
Before the paschal lamb
And yes it's appealing
I want to wash my hands. (x3)

And now with Covid we have to use Purel
We don't shake hands or hug
And we wear a mask as well
Mask as well, mask as well..

Yeah, You got us praying
To reach the Promised Land
Hear this we're conveying
We want to wash our hands. (x3)

6. Ma Nishtana

Ma nishtana haleilah hazeh mikol haleilot?

*Shebechol haleilot anu ochlin chametz umatzah,

7. Avadim Hayinu

Avadim hayinu, (hayinu)

ata b'nei chorin (b'nei chorin)

Avadim hayinu, ata (ata) b'nei chorin

Avadim hayinu, ata b'nei chorin (b'nei chorin)

Ata b'nei chorin b'nei chorin!

8. Four Children

(“BOHEMIAN RHAPSODY” - QUEEN)

Is this our real life – is this just fantasy –
stuck at the seder – can't escape this reality.
Sipping your wine – we drink four cups wine not five.
There are 4 children - now we will sing of them.
There is a wise one who knows a ton,
wicked child is not so fun,
simple child wonders why, the one who cannot ask—
doesn't try, doesn't try...

Mama, I'm the wise child,
I like to know the rules .
I was born with the right tools.
Mama, I know halacha
And so I'm gonna chant the bracha.

Mama, ooooo
I'm the wicked child,
If it's not all about me
Then I'm through, yes I'm through ,
Yes I'm through.
I'm a lousy Jew.

Simple and quiet am I.
What is all this I ask
I just don't know my task.
You say it's God, who set us free ,
And so that will be ok by me.

Mama ohhhhh
I'm the child who doesn't know.
What to ask or where
I'm supposed to go.
So I'll wait for you to show
What it is that matters.

9. Moses Baby

(“SHERRY BABY” - FRANKIE VALLI)

Moses, Moses baby
Moses, Moses baby

Mo-o-oses baby (Moses baby)
Moses, you must clear out tonight.
(Clear, clear, clear out tonight)

Mo-o-oses baby (Moses, baby)
Moses, you must clear out tonight.

Why don't you clear out (clear out) in a boat.
Clear out (clear out) down the Nile you'll float.
Clear out you'll drift the night away.
And God will make you fi-yi-yi-yine.

Mo-o-oses baby (Moses baby)
Moses, won't you clear out tonight.

10. Stayin' Alive

(BEE GEES)

Oh you can tell by the way I lead my sheep,
I'm a shepherd man – no time to sleep.
Days are hot and nights are cold
Alone in the desert – I'm growing old.

But it's all right,
It's okay,
Leading sheep all night and day.
We can try to understand
My father-in-law is Yitro Man.

Whether you're a Midian, Egyptian or Jew
I'm just staying alive, staying alive.
Feel the desert shaking, All the sheep are braying
I'm just staying alive, staying alive.

Ah, Ah, Ah, Ah – staying alive, staying alive,
Ah, Ah, Ah, Ah – staying alive, staying alive,
Staying alive – oh shoot there goes one –
dang it – come back!!!

11. Burning Bush

(“SINGIN' IN THE RAIN”)

I'm standing by the bush,
This strange burning bush,
What an odd sensation
It's burning my tush.

God's sayin' to me
As clear as can be:
“Go back to Egypt
And demand to see Pharaoh”.

I've got to be brave,
The people I will save,
I'm not good with words
But the Jews are my fave.

I'll walk by the Nile,
It'll take a short while,
And Pharaoh
Will let my people go.

12. You Must Let My People Go

(“IF I ONLY HAD A BRAIN” - WIZARD OF OZ)

I have come to tell you clearly,
To let you know sincerely:
My people suffer so.

God has sent me to order
Stop the bricks and the mortar,
You must let my people go.

If you don't let them skedaddle,
You'll have some real sick cattle
And a frog will bite your toe.

All the common folks and royals
Will be breaking out in boils.
You must let my people go.

Right now we're in a mess.
But this is just a phase.
God will bring the Hebrew people better days
And, Pharaoh, you will change your ways.

You're afraid that the Egyptians
Will have some big conniptions
If you change the status quo.

In the end, you'll have to do it
So you might as well get to it.
You must let my people go.

13. Let Us Go

(“LET IT GO” - FROZEN)

The Jews smear blood on their doorposts tonight -
This is the final straw.
Nine plagues haven't softened Pharaoh's heart
This is the final one.
Things are about to change, the Jews will survive.
Hurry up and pack, we'll run for our lives.

So, one more time, Moses asks Pharaoh:
Will you let my people finally go?
We've worked for years, we've done your tasks
And now, I ask (Will you)

Let us go, let us go—
We won't work for Pharaoh anymore.
Let us go, let us go—
It's time for us to soar.

We don't know
Where we're going to go.
But we have faith
We're sick of building pyramids anyway.

14. We Won't Be Back

("I'LL BE BACK" - HAMILTON)

We won't back, we crossed the sea,
Moses lead us out of slavery.
We won't be back, we are free
Pharaoh lied and we got out you see.
With our God, on our side
No sea can ever be too wide.
We have faith, now we'll sing
We escaped so now let's celebrate
All the joy that freedom brings
Dai dai dai dai.....

15. Dayeinu

("SINGIN' IN THE RAIN")

*Ilu ho-tsi, ho-tsi-a-nu,
Ho-tsi-a-nu mi-Mitz-ra-yim,
Ho-tsi-a-nu mi-Mitz-ra-yim, Da-ye-nu!*

CHORUS:

*Dai, da-ye-nu,
Dai, da-ye-nu,
Dai, da-ye-nu,
Da-ye-nu, da-ye-nu, da-ye-nu!*

*Ilu na-tan, na-tan la-nu,
Na-tan la-nu et-ha-Shabbat,
Na-tan la-nu et-ha-Shabbat, Da-ye-nu!*

CHORUS.

*Ilu na-tan, na-tan la-nu,
Na-tan la-nu et ha-Torah
Na-tan la-nu et ha-Torah, Da-ye-nu!*

16. We've Got Matzah

("I GOT RHYTHM" - GIRL CRAZY).

We've got matzah. We've got maror.
We've got shank bones.
Who could ask for anything more?
We've got manna In the desert.
We've got Moses. Who could ask for anything more?
Old man Pharaoh, he's behind us.
You won't find us at his door.
We've got freedom. We've got Torah.
We've got our God. Who could ask for anything more?
Who could ask for anything more?

17. Just a Tad of Charoset

("SPOONFUL OF SUGAR" - MARY POPPINS)

Oh, back in Egypt long ago,
The Jews were slaves under Pharaoh —
They sweated and toiled and labored through the day
So when we gather pesach night,
We do what we think right
Maror, we chew, to feel what they went through
Just a tad of charoset helps the bitter herbs go down,
The bitter herbs go down; the bitter herbs go down
Just a tad of charoset helps the bitter herbs go down,
In the most disguising way!

18. Tzafun Afikomen

("MAMMA MIA")

I've been looking for you, all over the den.
It's the thing I must find, yet it's almost ten.
Look under there, you hid it so well?
I don't know where, but I certainly know the goal —
I can feel that I'm on a roll.

One more look and I can find the whole thing
One more look and it's the matzah I'll bring,

O-o-o-oh Afikomen, let me look again —
Oy oy, how it is I've missed ya?
Afikomen, found by Josh again,
Oy oy, once again I've missed ya!

Yes, it was broken dad said
Searching's what I dread
Why, why though I'm looking high and low?

Afikomen, now I'm just too slow,
Oy oy, thus I never get the dough.

Just park your golden chariot.
You don't need a Marriot!
Be our guest! Be our guest! Be our guest!
One God! We are always loyal.
We will even use the mohel.
God's the one!

19. Mi Sheberach

("SINGIN' IN THE RAIN")

*Mi sheberach imoteinu
M'kor ha-bracha l'avoteinu
Bless those in need of healing with r'fuah shleima
The renewal of body, the renewal of spirit
And let us say - amen.*

20. Eliyahu & Go On

("MY HEART WILL GO ON" - TITANIC)

*Eliyahu hanavi, Eliyahu hatishbi,
Eliyahu hagiladi.
Bimheirah b'yameinu, yavo eileinu,
im Mashiach ben David.*

Now in our lifetimes
We think about the hard times
And how God helped us go on.
Pharaoh was evil. He enslaved all our people.
He wouldn't let us go on.
Now, then, We're here once again,
And we help our traditions go on.
Once more we open the door,
And Elijah will help us go on and go on and on.

21. Chad Gadya

An only kid, an only kid,
My father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the cat
who ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the stick
That beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the fire
that burned the stick
that beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the water
That put out the fire
that burned the stick
that beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the ox
that drank the water
that put out the fire

that burned the stick
that beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the butcher
who slaughtered the ox
that drank the water
that put out the fire
that burned the stick
that beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the Angel of Death
Who killed the butcher
who slaughtered the ox
that drank the water
that put out the fire
that burned the stick
that beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

Then came the Holy One
Who banished the Angel of Death
that killed the butcher
that slaughtered the ox
that drank the water
that put out the fire
that burned the stick
that beat the dog
that bit the cat
that ate the goat
my father bought for two Zuzim.
Chad gadya, chad gadya!

22. One (A CHORUS LINE)

One, singular sensation, God's the only God for me.
One, author of creation, op'ning up the Red Sea.

One God who's always been there to take care of us.
One God who's guiding us all through the Exodus!

One, thing that we have learned is,
God is not a golden cow.
When we stop to think of I and thou, Wow!
One God! We are always loyal.

We will even use the mohel.
God's the one!
